

POWERED IMPLEMENTS

 **PITPUMP™** MUD PUMP

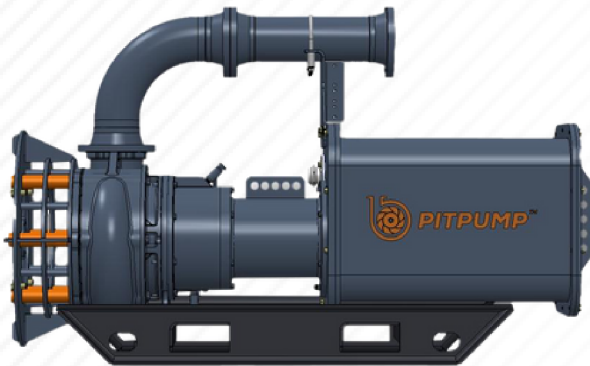

- » **Advanced internal liquid cooling** and high chrome alloy steel pump components ensure industry-leading service life.
- » **Specialized inlet and impeller design** with reversible operation are built to handle particles up to 5" in diameter, reducing frequency of cleaning.

 **PITPUMP™**
LARGE

MAX FLOW RATE
1400 GPM / 5300 LPM

DISCHARGE
6-8 IN / 152 MM

PARTICLE SIZE
5 IN / 127 MM

 **PITPUMP™**
MEDIUM

MAX FLOW RATE
1000 GPM / 3785 LPM

DISCHARGE
6 IN / 152 MM

PARTICLE SIZE
3 IN / 76 MM

WELCOME TO THE NEXT LEVEL

The toughest, most versatile mud pumps
ever designed for the HDD Industry.
